Application for a new date of the Seniors European Championship

Ladies and Gentlemen

The Swiss Minigolf Sport Federation submit you the application that the Seniors European Championship will moved back to the old date. That means, two weeks after the European- or World Championship of the general classes.

Reason: In August, we still have holiday. During this time will only fathers with children in school receive holiday. A large and better part of our seniors can't play the European Championship.

Yours sincerely,

Rosa Weyermann
Schweizerischer Minigolf-Sportverband
